Yesterday I got a text from my BFF, Stephanie - *"Are u going to watch the cupcake girls? That might be your version of porn! lol"*. I had no idea what she was talking about. After a few texts back and forth, she told me to watch The Cupcake Girls on the W Network on April 4th at 9:00 pm,

This show follow Heather, Lori and their Vancouver-based bakery, Cupcakes. As most people know, I heart cupcakes and I have had the pleasure to try out these delicious cupcakes while I was in Vancouver in September. I am excited to watch this show. Reality TV + cupcakes = my kind of porn (as Stephanie would say).
